### Notes:

- All times in long course meters (LCM). Standards are USA Swimming 2024–2028 Motivational (10 & Under Girls).
- “Std. Met” is the highest motivational standard achieved at Stella’s current best LCM time. “Next Aim” shows the next-better motivational level with its qualifying time.
- “SDI AGC Qual.” is the San Diego–Imperial 2026 Age Group Championships qualifying time (10 & Under Girls LCM, updated 10/18/2025).
- <sup>†</sup>Seed time shown; no LCM personal best on file — seed is converted from her SCY best.
- Approximate swim times are estimates based on Stella’s seed position and the published session timeline. Heat order can shift on meet day — arrive in plenty of time for warm-ups and report to the bullpen early.
